# Physiotherapy in Pain Management

Sunday 17 March 2013 | 1.30pm - 5.00pm

National Convention Centre, Canberra | \$110pp

We invite you to participate in this inaugural, half-day physiotherapy-specific workshop which precedes and is running in conjunction with, the Australian Pain Society's 33rd Annual Scientific Meeting.

The session is designed for physiotherapists who work with people in pain and will address professional issues facing practitioners working in pain-related fields.

17-20 March 2013 | National Convention Centre | Canberra, ACT, Australia

**A large proportion of the afternoon will be devoted to clinical case studies in pain management and we intend to create a robust forum for discussion and participation.**

**Registration now open!**

To register or for further information please visit
