HOW I DO IT

Insights into Common and
Complex Procedures in
Upper and Lower Limbs

Stamford Airport Hotel
Sydney | 14-15 July 2011

PROVISIONAL PROGRAM

The meeting theme, How I Do It, is an attempt to examine the details of the tricks and the tools of our trade. The meeting covers a variety of common and complex procedures which should be of practical and educational value to many surgeons and trainees. The program gives an opportunity to introduce a number of younger speakers, most of whom have learned new tricks during fellowships overseas.
