Invitation to attend

On behalf of the Conference Executive Committee and the Boards of Palliative Care Australia and Palliative Care ACT, I invite you to attend the 12th Australian Palliative Care Conference from Tuesday 3 - Friday 6 September 2013 in Canberra.

Palliative Care - everyone's business will bring together over 700 delegates from across Australia and the world to explore the importance of palliative care in all its dimensions. Clinicians, researchers, volunteers, allied health practitioners, educators, carers and all those with a passion for palliative care will share best practice, hear the latest research, be challenged by keynote speakers and build valuable networks.

There’s no better time to visit Canberra. 2013 marks the centenary of our national capital and there are many fantastic events and activities planned that you can experience. We’ll be celebrating this milestone at the Conference Centenary Gala Ball on Thursday 5 September in the Great Hall at Parliament House.

I look forward to seeing you in Canberra in 2013 and joining in Palliative Care - everyone's business.

Professor Patsy Yates, Conference Chair  
Mr David Lawrence, PCACT President

Keynote Speakers  Further information available on Speakers web page.

International Speakers

**Professor Eric Cassell** is an expert on doctor / patient communication. His major interest is in the theory of clinical medicine and the development of new ideas to guide medicine’s practice and teaching.

**A/Professor Amy Chow** is one of the most established young social work academics in the Asia Pacific. She will share her expertise on grief, bereavement and palliative care with us, focusing on culturally appropriate bereavement support.

**Professor Irene Higginson** has extensive experience in leading national and international multidisciplinary research, teaching and collaboration in palliative care and she is currently Director of the Cicely Saunders Institute in London.

**Dr Adrian Hopper** is the Joint Leader of the Medicine Clinical Academic Group and Associate Medical Director in charge of patient safety at Guy’s and St Thomas’ NHS Foundation Trust, London, UK.

Local Speakers

**Ms Ita Buttrose** is 2013 Australian of the Year, President of Alzheimer’s Australia and Vice President Emeritus of Arthritis Australia. Ms Buttrose was made an Officer of the Order of Australia in 1988 for her services to the community in the field of medical education and health care for her work as Chairperson on the National Advisory Committee on AIDS.

**Dr Frank Brennan** is a Palliative Care Physician based in Sydney. He is currently working in two main areas of Palliative Care - Renal Disease and Motor Neurone Disease. He is also a lawyer and has an interest in the interface of Palliative Medicine, the humanities and the law.

**Professor Colleen Cartwright** is Foundation Professor of Aged Services and Director of the ASLaRC Aged Services Unit at Southern Cross University. She has extensive teaching and research experience in ageing, ethics and medical decisions at the end of life, at national and international levels, with publications in major journals and a number of book chapters.

**Professor David Kissane** is an academic psychiatrist, psycho-oncology researcher and author. Currently Head of Psychiatry at Monash University, he was recently Chairman of Psychiatry and Behavioral Sciences at Memorial Sloan Kettering Cancer Center in New York and was previously Foundation Chair of Palliative Medicine at the University of Melbourne.

**Mr Peter Roberts** has worked as a specialist music practitioner within palliative care for the last 19 years.
Pre Conference Full Day Workshops

Tuesday 3 September 2013 | 9.00am - 5.00pm

A series of full day educational workshops will be held at the National Convention Centre. These workshops will provide the opportunity for information exchange, facilitated question times and small group discussions and will run concurrently 9.00am - 5.00pm. Workshop fees include morning tea, lunch and afternoon tea.

1. INDIGENOUS PALLIATIVE CARE

This full day seminar will look at the issues surrounding improvement of palliative care for Indigenous Australians.

2. PAEDIATRIC PALLIATIVE CARE

Come together with other members of the paediatric palliative care community for information and ideas on caring for children.

3. VOLUNTEERS’ CONFERENCE

The Volunteers’ Day will provide a mix of stimulating presentations and workshop discussions on significant issues for palliative care volunteers, including: the volunteer-client relationship; managing grief; diversity in palliative care; the use of music in palliative care; managing issues faced by carers; development of a Life Story program for clients; and the findings of a new study into the roles and requirements of palliative care volunteers in 2020.

To view the Volunteers’ Conference Program click here: www.dcconferences.com.au/apcc2013/pre-conference_day_workshops

4. CRITICAL APPRAISAL

The Critical Appraisal Workshop provides a comprehensive overview of everything you need to know to understand and appraise clinical papers with confidence. Expert tutors will teach critical appraisal from first principles, assuming no prior knowledge. They will guide you through presentations and exercises designed to illustrate key points. You will test your understanding by completing exercises in the workshop handout and appraising real clinical papers. The workshop offers the opportunity to not only learn how to critically appraise clinical papers but to practice these skills under supervision.

Please register early for your preferred workshop as places are limited. If the workshop you wish to attend is full you will be able to register for the waiting list.
Pre Conference Half Day Workshops

Tuesday 3 September 2013 | 9.00am - 12.30pm and 1.30pm - 5.00pm

A series of half day educational workshops will be held at the National Convention Centre. These workshops will provide the opportunity for information exchange, facilitated question times and small group discussions and will run concurrently either from 9.00am - 12.30pm or from 1.30pm - 5.00pm.

Workshop fees include morning or afternoon tea (depending on workshop) and lunch.

Morning 9.00 am - 12.30 pm

5. INTEGRATED CARE FRAMEWORK - DEMENTIA

The ICF-D is a suite of web-based interactive resources including an online assessment tool, care plans, communication guides with family factsheets, staff education modules and audiovisual teaching materials.

The workshop features an introduction to the ICF-D and a ‘hands on’ website session learning to make assessments, creating person-centred care plans and building conversation guides. We will also explore other website materials such as video podcasts, education modules for advanced dementia care and use of the audit tool to monitor quality improvement within facilities.

A Palliative Care Specialist will also discuss the clinical issues surrounding end of life care for people with advanced dementia, focusing on the domains within the ICF-D.

Afternoon 1.30 pm - 5.00 pm

7. AGED CARE

This workshop is designed for nurses and other staff working in specialist palliative care services that currently provide, or will in the future provide support to aged care facilities.

Participants will learn about the Palliative Approach Toolkit (PA Toolkit) and ways in which linkages and support between specialist palliative care services and aged care facilities can be established to provide quality, coordinated care. The Toolkit resources are designed to assist residential aged care managers, nursing staff and those caring for residents that are approaching the end of their lives. Adoption of its management and care framework enables the translation of best available evidence to effective day-to-day practice.

8. HEALTH PROMOTION

This workshop will provide a brief overview of health-promoting approaches to palliative and end of life care, and will involve participants in exploring applications to a range of health care contexts, including specialised palliative care, primary care and community health, and aged care.

Initiatives arising from communities will be considered. The workshop will allow participants to follow topics of particular interest to them through conversation with people already involved in health promotion work in different settings. Participants will also be encouraged to try out ideas for activities appropriate to their own practice settings. Participants will leave the workshop with strategies identified through this process that will consolidate and evaluate emerging initiatives in health promoting palliative care. It will also review the range of resources - people, programs, and local/ national/ international networks, that are available to inform and support this public health approach to palliative and end of life care.

6. NSAP / PEPA / PCC4U FACILITATING LEARNING AND CHANGE MANAGEMENT IN PALLIATIVE CARE SETTINGS

Are you a Health Professional wanting to enhance your understanding of strategies to mentor, facilitate learning and change in the context of palliative care? This workshop is ideal for clinicians in palliative care and aims to provide additional learning opportunities from the National Palliative Care Program Partners (NSAP, PCC4U and PEPA) prior to the Palliative Care Australia conference.

Accommodation

A range of accommodation options is available in Canberra and we have secured special rates with some of the hotels located close to the National Convention Centre (see list at left and table overleaf). Alternatively, to view a full and up to date list of these properties, please visit the conference website on the following link.

Accommodation at conference rates is limited so we recommend you book as early as possible. Most listed hotels will offer these rates for several days before and after the conference, allowing delegates to extend their stay in Canberra as desired.

Each hotel has an individual cancellation policy. Cancellations made 30+ days from the booked date usually attract a fee equal to the cost of at least one night’s accommodation. Cancellation closer to the date may yield no refund at all. Please check the cancellation policy with the hotel of your choice.

Email or phone the hotel of your choice, quoting the booking code listed, to ensure you are charged the special conference rate. Where a booking link is listed in the table overleaf, you may book directly online.

Please note that listed properties have space available at the time of brochure assembly. However rooms are subject to availability at each hotel, when you book your accommodation.
