

SMARTPHONE/TABLET APP – USER GUIDE

The Australia Pain Society 33rd Annual Scientific Meeting

National Convention Centre, Canberra
17 – 20 March 2013

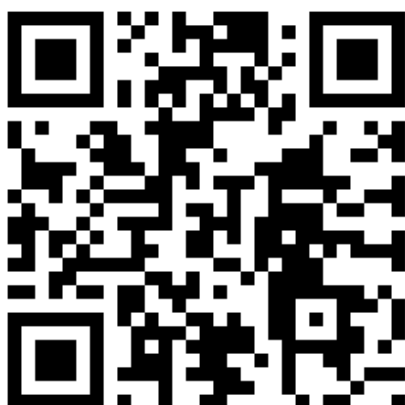

ACCESSING THE APP

Complimentary Wi-Fi Internet is provided to all APS delegates, the network name is: **NCC** and the password is: **GRRVDS**

The Australian Pain Society ASM smartphone/tablet APP can be accessed either by visiting the following link on your browser,

aps2013.mobievents.mobi

Or by scanning the QR image below using a bar code or QR reader on your smartphone/tablet:

Once you have scanned the QR image or entered the link in to your browser you will be taken to main page of the app (below).

Save the app to your phone/tablet home screen by selecting the options below,

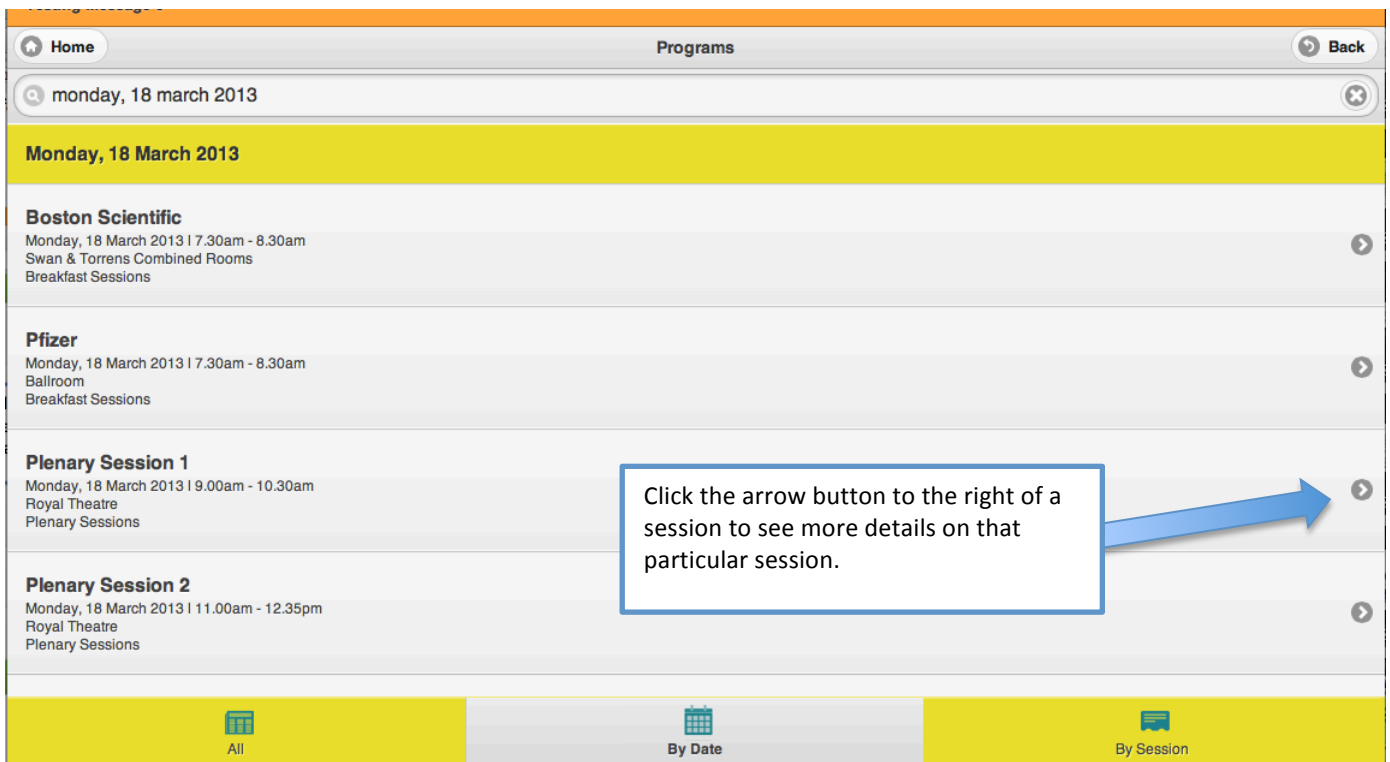

LOOK OUT FOR ANNOUNCEMENTS!

Important announcements about the conference will appear at the top of the APP. To view more alerts click the announcements tab.

PROGRAMS

By clicking on the program tab you can access all the sessions that will be running at the conference, including the social sessions. At the bottom of your screen you have three options to view the sessions; you can either view all sessions, view sessions by date or view by session type such as pre-conference workshop, breakfast session etc. There is also a search field so you can search for the specific session you want to view.

SPEAKERS

The Speakers arrow will give you access to information on all keynote and plenary session speakers. By clicking the arrow button you can read a short bio on that chosen speaker.

There is also a search field so you can enter the name of a specific speaker.

The screenshot shows a mobile application interface for 'Speakers'. At the top, there are 'Home' and 'Speakers' tabs, and a 'Back' button. Below is a search bar labeled 'Search ...'. A list of speakers is displayed, each with a small profile picture and their name: Dr Elena Bagley, Dr Philip Bolton, Dr David Butler, Dr Meredith Craigie, Professor Geert Crombez, Dr Rollin Gallagher, and Dr Richard Halliwell. To the right of each name is a right-pointing arrow. A blue text box with a blue arrow pointing to one of the arrows explains that clicking it provides access to speaker information. The text box also notes the presence of a search field.

SPONSORS AND EXHIBITORS

The sponsors' and exhibitors' tabs will give you access to information on all the organisations that are involved with sponsoring or exhibiting at the APS 2013 conference.

By clicking the arrow button you can get access to information on that company including a profile, contact details and the number of their booth for the exhibition.

The screenshot shows a mobile application interface for 'Sponsors & Exhibitors'. At the top, there are 'Home' and 'Sponsors & Exhibitors' tabs, and a 'Back' button. Below is a search bar labeled 'Search ...'. A list of sponsors and exhibitors is displayed, each with a logo and their name: Australian College of Nursing (Booth 9), Australian Pain Management Association (Booth 8), Boston Scientific (Booth 3/5 - Breakfast Session Sponsor), Diros Technology Inc (Booth 18), Diversiary Therapy Technologies (Booth 37), and dorsaVi (Booth 23). To the right of each entry is a right-pointing arrow. A blue text box with a blue arrow pointing to one of the arrows explains that clicking it provides access to company information, including profiles, contact details, and booth numbers.

ATTENDEES

The attendee's tab is the mobile app's online delegate list – here you can get details on all the people who are in attendance at the conference and gave permission to have their details listed. You can interact with other attendees instantly by clicking the arrow button next to their name and clicking on their e-mail address.

We encourage you to add your details and photo!

To update your details, add an e-mail address and add a photo of yourself, search on your surname within the Attendee's tab on the app, select your name and select 'edit details' OR visit the link below and enter your e-mail address, which must be the same e-mail address you gave when you initially registered for the APS meeting.

<http://mobiupdate.mobievents.mobi/>

You can access this website via your smartphone, tablet, laptop or at the Internet Café onsite at the conference.

To update your attendee profile you must register with the SAME email address that is on your registration. If you are unsure what address this is - please email the Conference Secretariat - aps2013@dcconferences.com.au

1. [Enter your email address in the 'Registration' box and press 'Submit'.](#)
2. [A password will be sent to your email inbox.](#)
3. [Using your email address and your password enter these details into the 'Login Form' to update your profile.](#)

Australian Pain Society 33rd Annual Scientific Meeting

Firstly, submit your email address you used to register for the conference.

You will then receive your password via email.

Secondly, login to update your profile information.

GENERAL INFORMATION

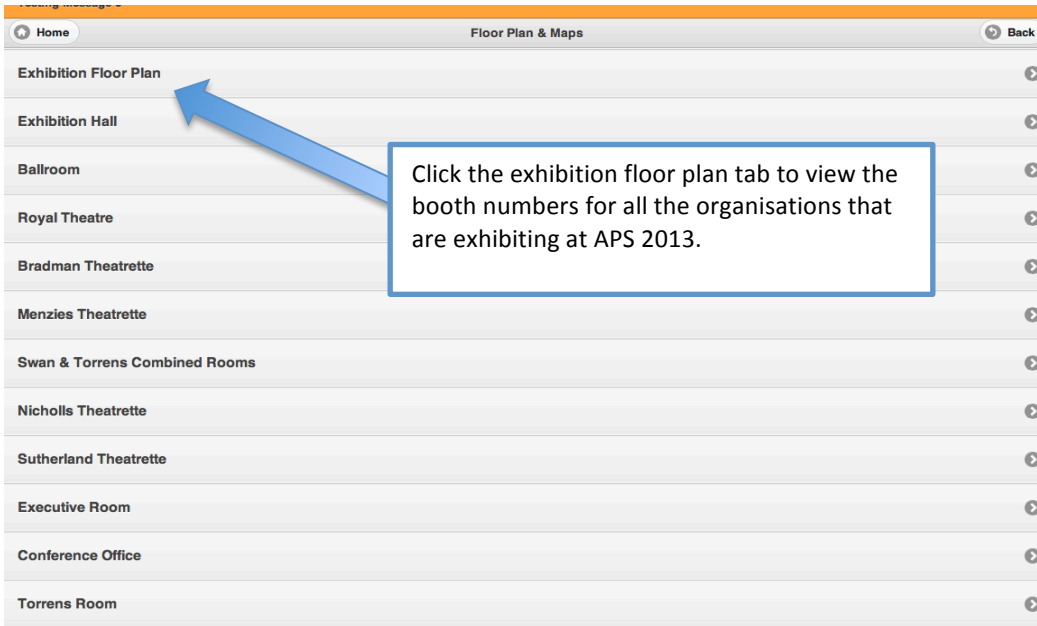

The general information tab gives you access to some useful information for when you are on site. This includes details on such things as the opening times of the exhibition and registration desk.

HELPFUL LINKS

The helpful links tab provides you with website links that could be useful throughout the conference.

FLOOR PLAN AND MAPS

If you are having trouble finding a location for any of the APS sessions, including the social functions, then click on floor plan and maps to view interactive maps. Locations that are away from the National Convention Centre such as the Gala Dinner venue will have Google maps linked to them.

If you have any questions about the APP please visit the onsite registration desk and talk to our APP experts.
