

## 8th National Laser & Cosmetic Medicine Conference 2012

**22 – 23 September 2012**

Marriott Resort & Spa, Surfers Paradise, QLD

### Invitation

**Cosmetic medicine has experienced massive growth in recent years and there is an urgent need for professional education of medical practitioners and technicians working in the field.**

The National Laser and Cosmetic Medicine Conference attracts medical professionals who are seeking to update their skills or expand their expertise into this discipline. This practical forum enables physicians to learn, experience and keep up-to-date on the latest technologies in Laser and Cosmetic Medicine.

The Conference has 2 streams:

- Medical Practitioners' Conference
- Paramedical Workshop, a 2 day program primarily for nurses, dermal therapists and paramedical staff.

### PLUS

- Pre-Conference 3-day intensive workshop for those new to the field

The conference will also feature an extensive industry exhibition showcasing the latest equipment and products.
