The Australian Men’s Shed Association (AMSA) is now the largest male-based representative and ‘not for profit’ organisation in the nation and is still growing rapidly. Men’s Sheds have as their primary objective, to advance the health and well-being of male members and provide a safe, friendly environment where men feel they belong and are able to work on meaningful projects in the company of other men.
Australian Men’s Shed Association
5th National Conference

A Sustainable Future
