Dear Dianna,

Congratulations on the magnificent outcome of yet another Australian Pain Society meeting.

Congratulations on the superb work that you and your staff did in presenting the meeting. I thought it went off remarkably well.

I enjoyed the speakers programme and particularly Dr Moore from Oxford.

Both Noela and I particularly enjoyed the social programme. That visit to Government House was most memorable. It must be one of the finest Government Houses in any of the Australian states. It was a delightful evening. The music was memorable and the architecture was something to be seen.

I look forward now to the Australian Pain Society meeting in Queensland in 2015. Please let me know if I can be of any additional assistance.

Please thank your staff for their excellent work.

I will get back to you with photographs of earlier Australian Pain Society meetings for your records.

Kindest regards,
Yours sincerely,

Leigh Atkinson
